How To Use

1

Cleanser

STEP 1
Squeeze a pea-sized amount into your hand, add water and lather into a rich foam.

STEP 2
Gently massage your skin with the foam to cleanse, thoroughly rinse off with lukewarm water.

2

Toner

STEP 1
After cleansing your face, pump a reasonable onto the palm of your hands and evenly apply.

STEP 2
Gently dab to be absorbed by skin.

3

Mask

STEP 1
Apply the sheet evenly over your face.

STEP 2
After 10-20 minutes, remove the sheet and pat gently to absorb the remaining essence.

4

Emulsion

STEP 1
After cleansing and toning, pump a reasonable amount onto your hands and evenly apply.

STEP 2
Gently dab to be absorbed by skin.

5

Cream

STEP 1
After applying the emulsion, take a reasonable amount onto hands and evenly apply.

STEP 2
Gently press into the skin with the palm of your hands to help it absorb.

Mist

Use the mist as needed to replenish moisture and nutrition after cleansing or makeup.
